HUBONAUT (VOLUNTEER for COMMUNITY & SPACE HOSTING)

Impact Hub Hamburg

Who we are

We support purpose-driven people on their journey of prototyping business for positive change – through a vibrant community, an inspiring space and valuable content.

Who we are looking for

Do you want to be part of a new generation of startups and create a positive impact by supporting changemakers? Are you passionate about connecting people and would you like to host a vibrant community and an inspiring space?

Then we might be looking for you!

As a Hubonaut you will welcome our guests, give them a tour through our Hub and explain our purpose in English or German. When our members need support, you love to help them and make them feel at home. You prefer to self-organize your work and feel inspired in a startup where you can bring in your own ideas and learn a lot. Connecting and interacting with everyone comes natural to you and you want to create a warm and collaborative atmosphere at our community events.

With your eye for detail it is easy for you to keep the space tidy, functional and the coffee flowing. A heart for plants would be a benefit or at least you should remember to water them.

All in all you would commit to host our space and community at our Impact Hub nine hours per week preferably on one day (09:00-13:00 and 14:00-19:00) or with two opening/closing shifts for at least 4 months. You could also support us with the hosting of our events upon your availability.

What we offer you

As a Hubonaut you will get all the benefits of our Full-time membership and more. This means

- Free Working Space when you are not hosting (Mo-Fr) and coffee ;)
- Access to largest global Impact Community (>16.500 members), inspiring (germanwide) Events every week, Community Activities and Workshops for free (online and offline)
- Develop your skills around The Art of Hosting and the facilitation of Events and learn about topics you are interested in
- You are welcomed to bring in and test your own ideas

Sounds like a perfect fit?

Please send us your application - a short CV with a video or text explaining why you want to join us and which skills you bring. We are looking forward to getting to know you!

“As a volunteer for Impact Hub Hamburg, I got to know and experience the Art of Hosting and organizational self-management techniques.

These are the greatest takeaways of my 2020.”

Naga Yarlagadda, Hubonaut since August 2020
